

# USU State Master Gardener Conference

EXTENSION 

UtahStateUniversity

**Friday  
September 30  
8AM–5PM**

**USU Kaysville  
Botanical Center**  
80 East Segoe Lily Dr  
Kaysville, UT 84037

Join USU Extension at the Botanical Center in Kaysville for a day of experiential garden education. The USU-State Master Gardener Conference will consist of both a First Detector Training (8AM-12PM) and a Field Day (1PM-5PM). First Detector Training is a national program that trains individuals and state agencies to recognize and report recent invasive pest introductions. Field Day topics include growing edibles, fruit variety trials, backyard bee keeping, arboretum tour and tree care, and more!
